PUC 2718 Pole 180cm, silver

The poles are the connection between the floor base and display interface and are available in 3 different lenghts, 150cm, 180cm and 200 cm. The poles are provided with a multiple cable management (CIS®) and can be combined with all Connect-it accessories. The PUC 27xx Series can only be used in combination with the floor solutions.

PUC 2718 Pole 180cm, silver

Vogel's Connect-it floor solutions (floor stands and trolleys) is an uniquely flexible system. With only a few standard components, you can create a solution for almost any requirement. From a single display floor stand in a shop window, a back-to-back display set-up in an airport, to a movable video conferencing set-up for corporate use, the flexible Connect-it floor solutions line fits every situation. Connect-it floor solutions can accommodate displays from small to extra large, weighing up to 160 kg. Connect-it floor modules are available in black and silver to fit any interior décor.
